In these unprecedented times under the drastically changing scenario, Shikshapeeth College, on one hand, cautiously helped minimizing the risk of epidemic spread among us all; and on the other hand, also worked hard on various **ONLINE ACADEMIC INNOVATIONS** implemented during past couple of months for the welfare of all our students, parents & Faculty Members, like SCMT Mobile App, Online Academic Classes through Microsoft Teams, making available university e-books and Faculty Members e-notes, besides our future enthusiastic plans like Online Library etc. To share with you all these aspects, I will be pleased to **ADDRESS TO YOU ALL**, as per schedule given below:
